mayor launches citizen panel

“The public plays a crucial role in shaping the future of the events campus. As the group digs into financials, feasibility studies, and economic impact numbers, we also have a desire to hear what the people of Sioux Falls like about the campus and what they think its future should look like.”

-Dan Statema, Co-Chair

public opinion research

City of Sioux Falls

LAWRENCE & SCHILLER

survey background

survey goals

- Evaluate current and future needs of Arena/Canaries Events Campus
- Explore the current status of existing Campus facilities
- Gather public opinion and sentiment regarding facility moves, changes, and updates

survey overview

City of Sioux Falls
SOUTH DAKOTA

Thank you for sharing your experiences with the Sioux Falls Events Center Campus. The City is exploring ways to evolve the campus to continue providing great entertainment options for the surrounding area.

events center campus

“

I am thrilled with ‘The Denny’. I am so happy my grandkids will have an opportunity to see the events they love, not miss them because we lacked the facilities.

”

I appreciate the Convention Center as I manage a large conference held there annually. The staff are great and the facilities are top notch.

**I like that the Arena allows for a smaller
indoor venue, we like going to the circus
every year.**

Attending Canaries games with the family. There is a good choice of beers and the berm area is a great place for families and their kids to run. It's a great family atmosphere.

GG

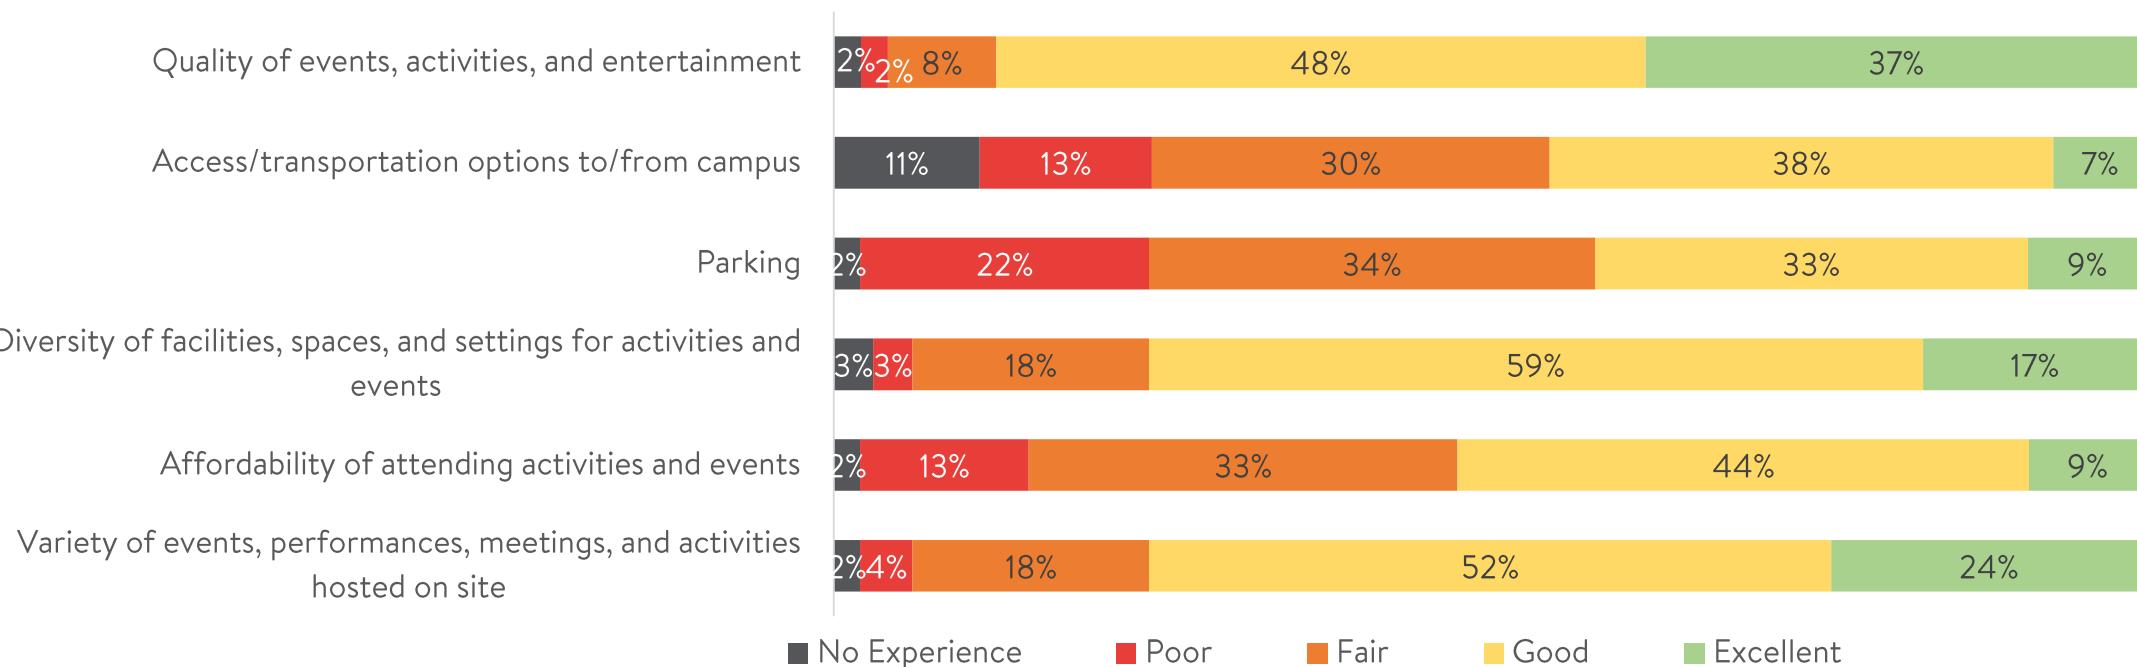

I really enjoy Howard Wood Field, its history, its facilities, and its atmosphere. It would be nice to see it used more frequently.

Base: Total sample (n=640). Multiple mentions possible. Top responses listed.

ways to improve

experiences with lower scores

How would you rate each of the following at the Events Center Campus?

experiences with lower scores

- Access/Transportation Options To/From Campus
- Parking
- Affordability of Attending Activities & Events

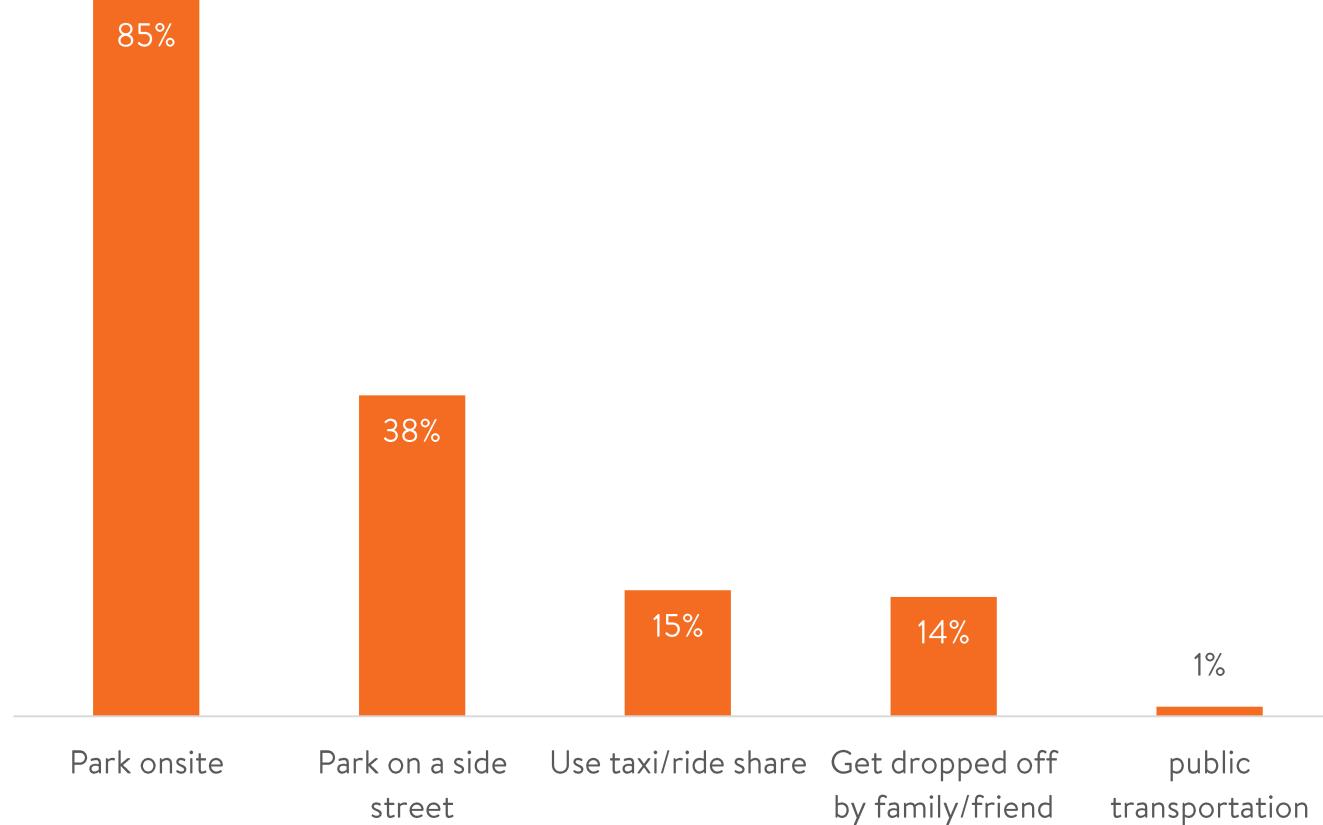

40%+

**“POOR” or “FAIR”
SCORES**

A black and white photograph of a large, modern multi-story parking garage. The building has a flat roof and a grid of windows. A prominent sign on the roof reads "DENNY SANFORD PREMIER CENTER". In the foreground, several cars are parked in the parking lot in front of the garage.

parking

parking at or near campus

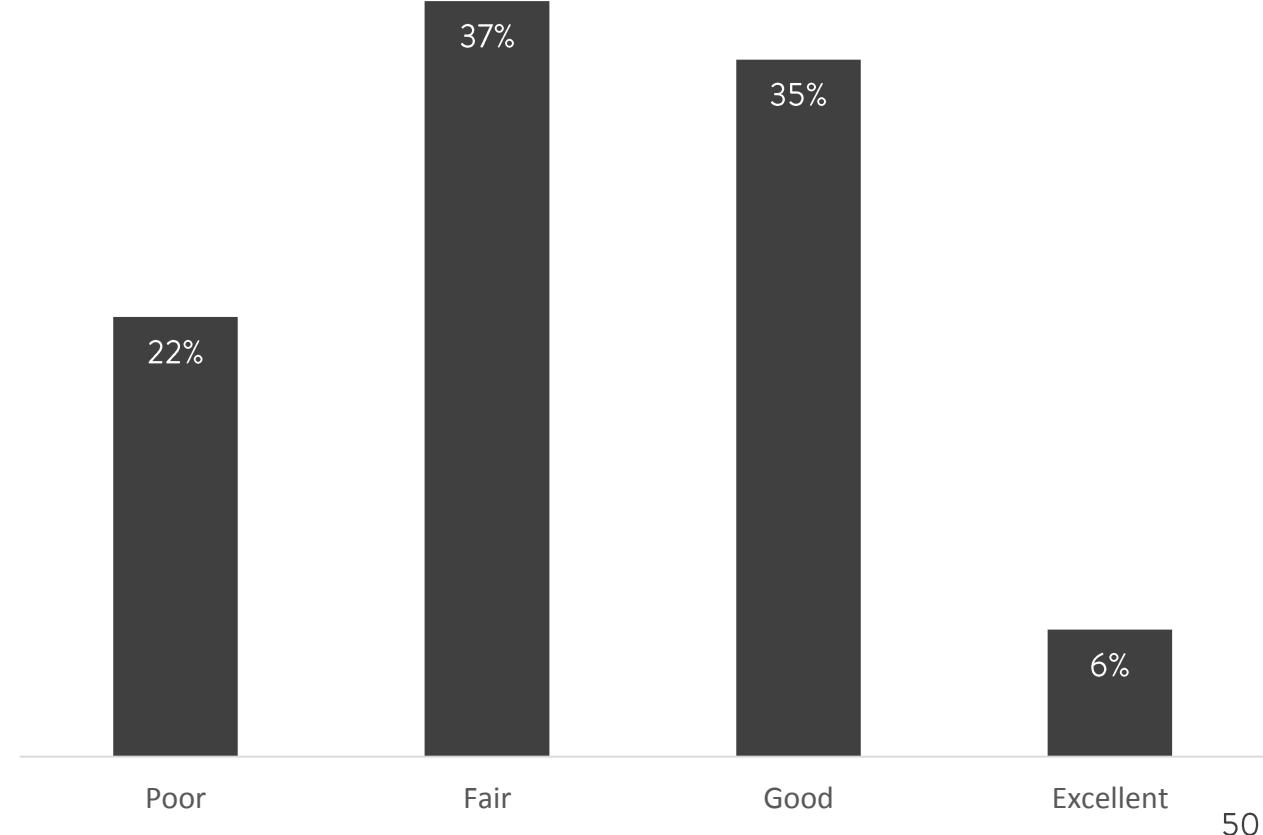

The majority of event attendees drive to campus and park their vehicles either in **on-site parking or on nearby** side streets due to availability or ease of access

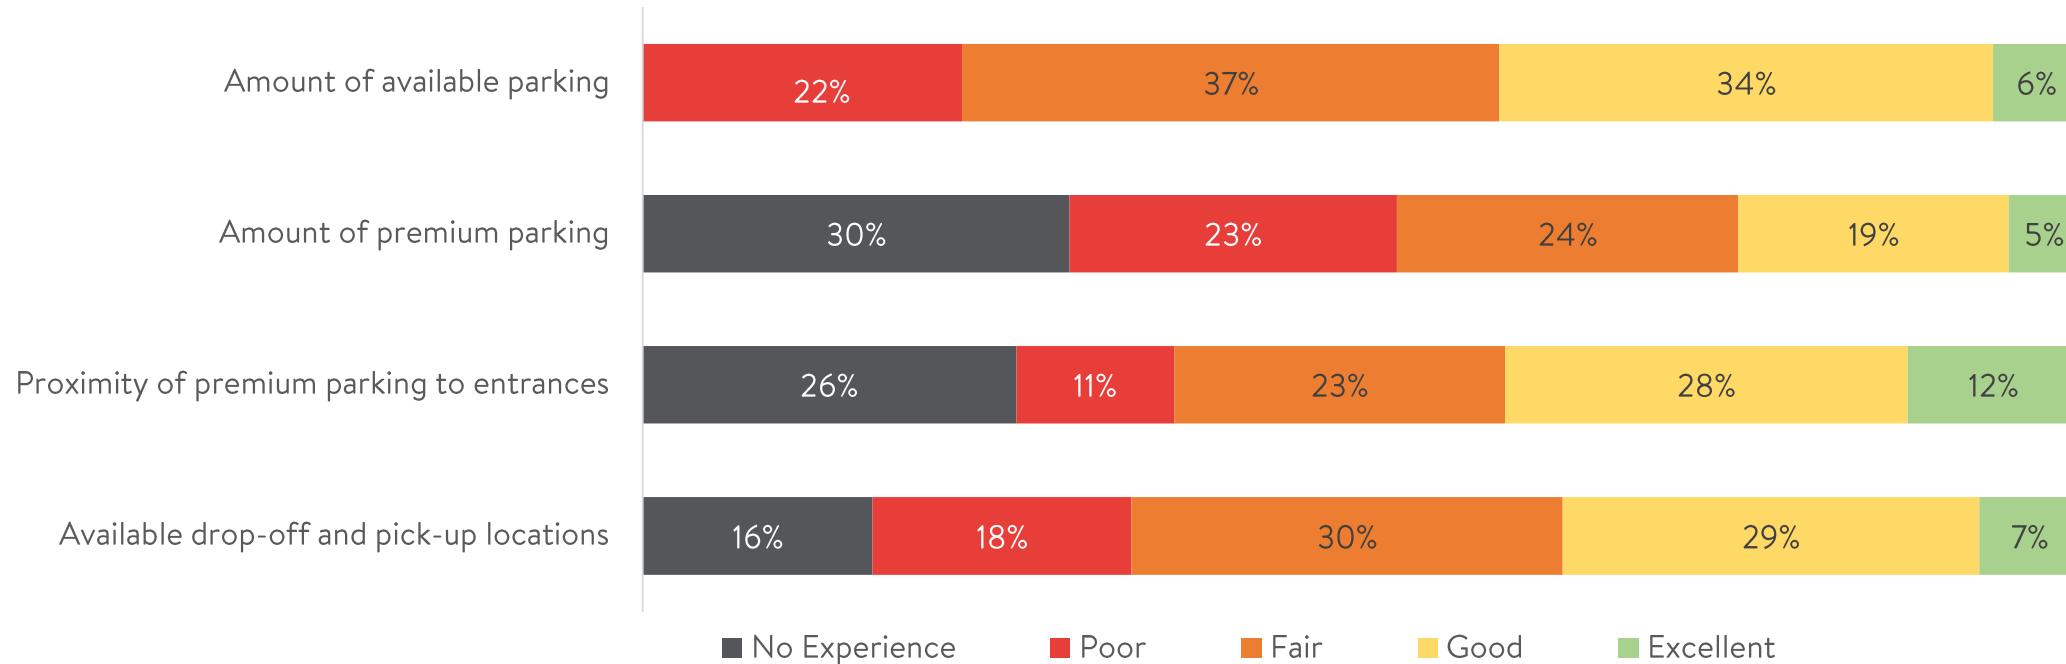

Mixed perceptions on parking

How would you describe the amount of available parking on campus?

- **Mixed perceptions** regarding availability of parking spaces
- Parking is certainly a concern for some event attendees, but **not necessarily a deal-breaker**

parking could use improvements

Somehow find a way to add parking. If there are events going on at the PREMIER Center, the convention center, and the arena parking is horrendous.

“

A parking ramp. When there are events going on at Howard Wood, PREMIER Center, Convention Center and Arena it is impossible to find parking.

”

parking impacts experience

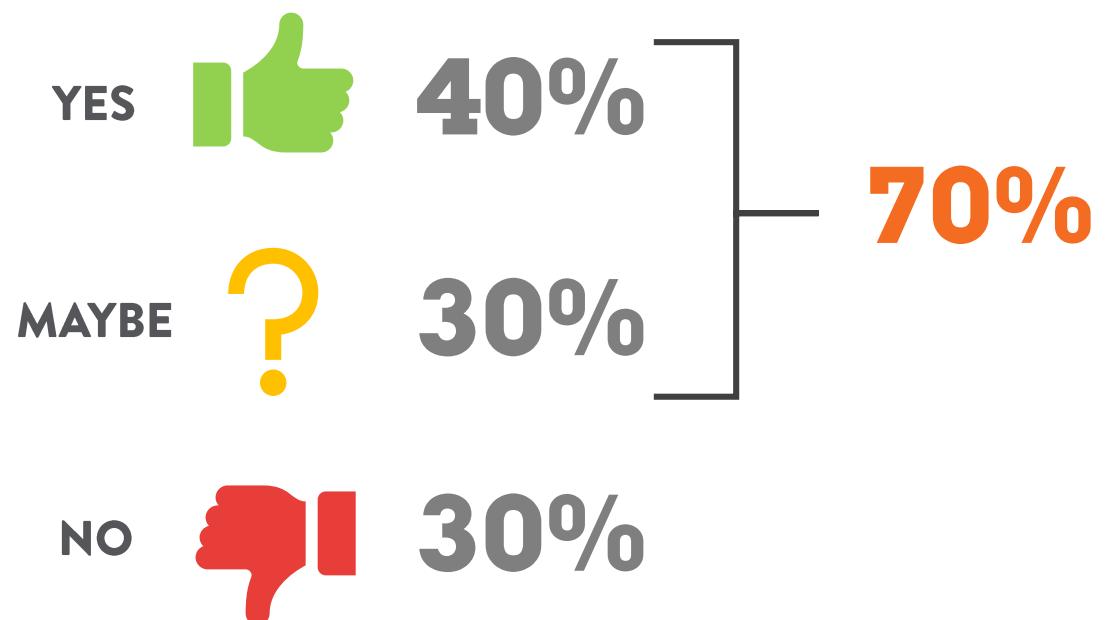

- One of the biggest issues
- Parking far in winter months
- “Build up not out”, parking garage implementation

open to metro transit options

Would you be open to using a fast transportation option that takes you from downtown parking ramps to the Events Center Campus? *Transportation would drop you off at the front door and would be operated by the city.*

The Sioux Falls Baseball Stadium opened in 1964. Updates to the stadium have been made over the years with a major renovation in 2000 for a venue capacity of 4,462.

Today, the stadium is primarily used for spring home games for the University of Sioux Falls as well as the summer home games for the Sioux Falls Canaries. The facility requires \$313,000 each year for the City to operate and generates \$78,000 each year in revenue—an average annual loss of \$235,000*. The City also invested \$664,000 on facility maintenance and improvements over the past five years.

**Note: Respondents were presented with this copy in the online survey. Panel members noted a typo during the meeting on June 25, 2019, offering the revised annual average loss of \$235,000. Since respondents provided opinions both before and after reading this copy, data and findings are considered relevant despite the error.*

convention space matters

What is your opinion on expanding the current Convention Center space?

Orange = Somewhat - Very Important Scores

Dark Gray = Somewhat - Not Important at All Scores

The Sioux Falls Arena opened in 1961 as a 7,500-seat facility for athletics, concerts and special events. Before the construction of the Denny Sanford PREMIER Center and the Sanford Pentagon, it was home to Skyforce basketball, Storm indoor football, Stampede ice hockey, Summit League Basketball Championship.

Today, the facility is primarily used as an extension of the convention center for flat-floor space. It also continues to host events such as graduation ceremonies and occasional basketball games. The facility requires \$1,196,000 each year for the City to operate and generates \$582,000 each year in revenue—an average annual loss of \$614,000. The City also invested \$2.7 million on facility maintenance and improvements over the past five years.

willing to spend more time

WOULD YOU COME EARLY IF
THERE WAS MORE TO DO AT/NEAR
FACILITIES?

WOULD YOU COME EARLY IF
THERE WERE RESTAURANTS AND
PLACES TO RELAX?

**how could the events
center campus attract
more visitors?**

By making it a full-service destination for people. There has to be something there for people to be able to do before and after event that are close.

Lower ticket prices and concession prices. Make things affordable for a family to attend events together. Add dining and shopping nearby.

The PREMIER Center shows the age of the stadium, arena, convention center, etc. the entire area needs to be revamped to create the look and feel of a campus if that's what it's going for. The stadium definitely needs to be relocated.

Create an atmosphere like "The Battery" the Atlanta Braves built. Make the area a destination, not the event the destination. Open carry drink laws. Family-friendly areas to shop and eat. Fountains. Make it a campus of things rather than an event area.

Create an atmosphere like "The Battery" the Atlanta Braves built. Make the area a destination, not the event the destination. Open carry drink laws. Family friendly areas to shop and eat. Fountains. Make it a campus of things rather than an event area.

summary

key findings

- Visitors enjoy and appreciate all that the Events Center Campus has to offer.
- Visitors attend the campus frequently (80% attending 4+ events) and recognize the importance of the baseball stadium.
- Respondents favor keeping a baseball stadium – but there are mixed opinions on whether to remodel the existing site or rebuild elsewhere.

key findings

- Respondents favor expanding the Convention Center in place of the Arena.
- The City can continue to improve upon the experience by adding more to do – including restaurants, activities, retail, etc. to the campus.
- Residents and visitors both expressed interested in utilizing the campus even more if parking, transportation, and things to do were expanded upon.

discussion

appendix b

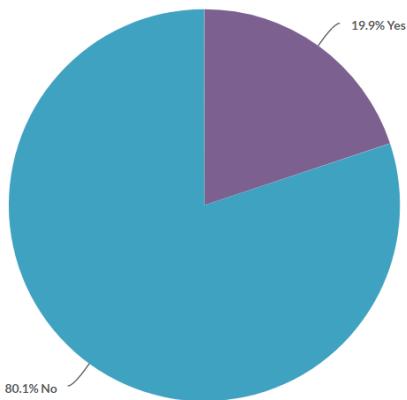

The survey was fielded June 5th -17th. In order to gather results for the June 26th meeting, L&S worked with the City to set a goal of 400 completes, and once those were gathered, analysis was started. Total respondents analyzed included 640.

However, the survey did continue to run through the 17th and we collected 2,041 responses during the full survey period. The graphs that follow represent the visual dashboard of the full results from the 2,041 respondents.
